Re: Bert J. Harris Claim, §70.001, *Fla. Stat.*, July 1, 2012

Dear Mayor Johnson,

This firm represents Jeffrey and Annette Gutzwiller, owners of an improved property described as 316 63rd Street, Unit 6B, Holmes Beach, FL 34217, APN# 7235-50070-9. The house on this property was constructed and has been operating as a short-term rental property within the City of Holmes Beach. The City of Holmes Beach has authorized the use of this property as a short-term vacation rental.

The “before” condition of the subject property is a three (3) bedroom, two-story residence able to accommodate up to eleven (11) guests as part of the authorized and approved short-term rental use of this property and others within the City. The owner has a “vested right” to the use of this property for which it was built, approved, and ultimately used.

By the City of Holmes Beach’s passage of Ordinance 15-12, this property is now restricted to a lower occupancy.

The Florida Legislature has passed Section 70.001, *Fla. Stat.*, known as the “Bert J. Harris Jr. Private Property Rights Protection Act as Amended.”

Chapter 70.001, *Fla. Stat.*, “*inter alia*”, created a separate and district cause of action which provides for relief or payment of compensation when a new law, rule, regulation or ordinance of the state or a political entity in the state, as applied, unfairly affects real property. “When a specific action of a governmental entity has inordinately burdened an existing use of real property or a vested right to a specific use of real property, the property owner of that real property is entitled to relief, which may include compensation for the actual loss to the fair

market value of the real property caused by the action of government, as provided in this section.” *Fla Stat.* §70.001(2).

The property owner of the subject property asserts that its vested right to an actual use of said real property has been inordinately burdened by the City of Holmes Beach’s adoption of Ordinance 15-12 by restricting its occupancy to two (2) persons per bedroom or six (6), whichever is greater. That Ordinance inordinately burdened an existing use and/or vested right to a specific use of the subject property.

To that end, this letter should serve as a formal, written claim pursuant to §70.001, *Fla. Stat.*, the Bert J. Harris Jr. Private Property Rights Protection Act as Amended. Attached to this letter is a bona fide, valid appraisal that provides for a before and after valuation demonstrating the loss in fair market value of the subject property resulting from the actions of the City of Holmes Beach. This appraisal established the loss in value as a result of Ordinance 15-12 to be \$105,000.00.

Pursuant to §70.001(4)(c), *Fla. Stat.*, the City of Holmes Beach has 150 days to respond to this claim with a written settlement offer. You should consult your counsel as to any other obligations and settlement opportunities contained within this statute.

PLEASE BE GOVERNED ACCORDINGLY.

Yours Truly,

Aaron M. Thomas

RE: Diminution in Value Appraisal
316 63rd Street; Unit 6B
Holmes Beach, Florida 34217

Dear Mr. Thomas:

As requested, we have conducted the required investigation, gathered necessary data, and made certain analyses in order to determine if a diminution of value exists for the subject property.

The subject property is a two-story 3-bedroom residence which is identified as Unit "6B" Island Walk Condominium located in the City of Holmes Beach. The current owners purchased the unit in January 2016 for investment purposes as a short-term vacation rental with a current sleeping configuration for 9 plus a sleeper sofa for 11 guests.

The scope of this assignment is to provide two opinions of value for the subject property. The value opinions will refer to the "before" and "after" condition of the property with and without the limitations and restrictions of Ordinance 15-12 adopted on September 8, 2015.

Ordinance 15-12 was adopted by the City of Holmes Beach to impose use regulations and restrictions upon single and two family residences which are utilized as vacation rentals.

BASS & ASSOCIATES, INC.

More specifically, as related to the subject property, this ordinance incorporates a maximum occupancy restriction of (2) guests per bedroom for a total of (6) occupants as well as other physical and regulatory restrictions.

This appraisal report sets forth the identification of the subject property, assumptions and limiting conditions, pertinent facts about the subject area, comparable data, and the reasoning leading to the conclusions.

As the subject property is used primarily as an income generating vacation rental, only the Income Approach is applicable in the valuation of the subject.

This appraisal is based upon our analyses of the unrestricted "before condition" and the "after condition" as restricted by the City of Holmes Beach adoption of Ordinance 15-12. Information on income/expense data was provided by the property owner. All information within this report is subject to the General and Special Assumptions and Limiting Conditions.

Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

A handwritten signature in blue ink that reads "Richard W. Bass". The signature is written in a cursive, flowing style.

PURPOSE, USE AND USERS OF THE APPRAISAL

The purpose of this assignment is to render opinions of value for the subject property first in the "as is" before condition as a 2,001 +/- square foot 3-bedroom residential unit with a current sleeping configuration for 9 plus a sleeper sofa for 11 guests. This does not include cribs/child beds or roll-a-way beds. This "before condition" reflects the use of the property as a vacation rental prior to the adoption of Ordinance 15-12.

The "after condition" opinion of value for the property is a 3-bedroom residential unit with a maximum permitted rental capacity of (2) persons per bedroom or a total of 6 guests to meet the requirements of Ordinance 15-12.

If applicable, render an opinion of any diminution in value created by the imposed use regulations and restrictions. Our value opinions do not take into consideration any new costs associated with the implementation of Ordinance 15-12 including any cost to cure.

This assignment is subject to the assumptions and limiting conditions contained herein. The intended use of this appraisal is for internal business decisions of the client and for possible expert witness testimony.

The client of this appraisal assignment is the property owner.

The intended users include the property owner's Jeffery and Annette Gutzwiller; client's advisors and a court of competent jurisdiction.

SCOPE OF WORK

The scope of this assignment includes research and analysis of rental information two years prior to the retrospective date of value. Two indications of value will be rendered for the subject property, first the "before" condition of the subject as a 3-bedroom residential condominium accommodating 11 guests. Secondly, is the "after" value indication of the subject property as built with 3-bedrooms for a maximum permitted occupancy of (6) guests. These different valuation scenarios relate to the City of Holmes Beach Ordinance 15-12 restricting single family and two family properties which are utilized as such rentals, to a maximum overnight occupancy of (2) guests per bedroom.

A bedroom is defined within the ordinance as:

"room or space in which people sleep, is a minimum of 70 square feet in floor area, and is physically separated from the main living area of the residence, is not a part of the common living area and has a storage closet".

Prior to the adoption of Ordinance 15-12 on September 8, 2015 there were no restrictions upon owners, which utilize their residences as short-term vacation rentals, as to how many people slept per bedroom or using sleeper sofas for additional guests.

BASS & ASSOCIATES, INC.

The question the appraiser will address: Is there a measurable value difference between a 3-bedroom vacation rental unit capable of accommodating 11 or more guests without restrictions and a 3-bedroom rental only permitted to accommodate 6 overnight guests on Holmes Beach?

As the scope of this assignment revolves around the adoption of Ordinance 15-12 and its impact on the subject property's highest and best use as a short-term vacation rental, only the Income Approach to value is considered applicable to this assignment.

Approaches to Value

For the Income Approach, the appraiser gathers income and expense data concerning the subject property if applicable and similar properties in the market area. This is used to estimate a net annual income of the subject property. This amount is then capitalized to produce indications of value. The appraisers were provided detailed rental data on the subject property and other like kind rentals located on Holmes Beach and Anna Maria.

This is a special purpose assignment involving a newly adopted ordinance affecting vacation rentals. More specifically the ordinance restricts the maximum number of overnight occupants of (2) persons per bedroom therefore restricting potential income for such properties as well as requiring both physical and regulatory requirements.

Subject Market Area

Holmes Beach is located on a barrier island which is also home to Bradenton Beach and Anna Maria. Access onto the Island is via three roadways. State Road 64 (Manatee Avenue), south of this is State Road 684 (Cortez Road), and finally from Sarasota County via Longboat Key is State Road 789 or Gulf Drive.

According to the 2010 census Holmes Beach had a population of 3,836 which increased to 4,098 in 2014. There were 19 building permits issued for new single-family construction on Holmes Beach in 2013 and 25 permits in 2014. Including permits for two-family residential developments, there were a total of 23 permits in 2013 and 45 in 2014. Average home prices, depending on size and frontage, are between \$500,000 and \$1,000,000. A large majority of residential units on Holmes Beach are utilized as vacation rentals.

Research

Research focused on market activity of free standing residential improvements located on Holmes Beach and Anna Maria which are currently utilized as vacation rentals. For the income analysis, we examined income and expense data provided for a variety of properties over the past two years as well as future rental agreements.

Data was gathered from various sources, including public records, real estate and rental company websites, active real estate professionals and local participants in the market. Various public and private sources were used to find and confirm data on sales and

vacation rental rates, market conditions and the market appeal of the subject property. Final value conclusions were drawn after a thorough analysis and reconciliation of the available data.

Susan Fletcher conducted extensive research and analysis of the overall area, comparable data, and the subject property. Richard Bass performed a thorough review and analysis of all data collected. The ultimate opinions rendered herein are those of Richard Bass.

PROPERTY VISIT

The appraiser visited the property, measured all qualified bedrooms and confirmed guest occupancy on September 18, 2016. The property owner was not onsite during our walk through and bedroom measurements were taken from the shortest wall-to-wall not including closet area.

PROPERTY RIGHTS APPRAISED

The property rights being appraised consist of the leased fee interest, which in this case is essentially the fee simple value. This is because the lease terms (rentals) are short-term and the owner has the right to use at their discretion. The appraiser assumes no responsibility for matters of a legal nature affecting the property appraised or its title; nor does the appraiser render any opinion as to the title, which is assumed to be good and marketable. The rights appraised do not include any tangible personal property.

Leased Fee Interest is defined as follows:

“An ownership interest held by a landlord with rights of use and occupancy conveyed by the lease to others. The rights of the lessor (the leased fee owner) and the lessee are specified by contract terms contained within the lease.”

Fee Simple is defined as follows:

“Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat”¹

DEFINITIONS

Market Value is defined as follows:

“The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition are the

¹ The Dictionary of Real Estate Appraisal, Appraisal Institute, Sixth Edition, 2010. Pg. 90

BASS & ASSOCIATES, INC.

consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1. *buyer and seller are typically motivated;*
2. *both parties are well informed or well-advised, and acting in what they consider their own best interests;*
3. *a reasonable time is allowed for exposure in the open market;*
4. *payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and*
5. *the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.*¹²

HISTORY OF SUBJECT

The last arms length transfer occurred on January 15, 2016 from Patricia Hinger to Jeffery and Annette Gutzwiller in consideration of \$625,000 recorded in BK 2603 PG 5937 Public Records of Manatee County, Florida.

Declaration of Condominium for Phase I Island Walk was recorded on October 25, 2005 as BK1996 PG 3533 Public Records Manatee County, Florida.

The current owners purchased the residential unit for use as a second home and investment purposes as a vacation rental with a sleeping configuration for 11 or more guests. In 2016 the home rents primarily on a weekly basis with rates between \$1,050 and \$4,000 depending upon the time of year.

PROPERTY OWNERSHIP

According to public records of Manatee County, Florida, the recorded owner of the subject property is:

Jeffery and Annette Gutzwiller
3000 West Pilgrims Way
Peoria, Illinois 61615

ZONING DESIGNATION

The subject property is located within the R-2; Two-Family Residential District which provides locations for residential use in the form of a mix of single-family and two-family residential dwellings and to protect and enhance the character of such residential areas located throughout the city.

Development standards include minimum lot area for two-family dwellings of 8,712 SF and 80 feet of frontage; single-family dwellings have 7,510 SF lot area and 75 feet of frontage.

² Interagency Appraisal and Evaluation Guidelines, federal Register, V. 75 No. 237, December 10, 2010

BASS & ASSOCIATES, INC.

Details regarding this zoning district can be found at the website <http://www.municode.com/library/FL>.

FUTURE LAND USE DESIGNATION

The subject property is identified within the Medium Density Residential future land use category which is intended to recognize the type of residential development found throughout the majority of the community. This residential category supports an assortment of dwelling types and styles which have been identified as being associated with a barrier island community.

ASSESSED VALUATION AND TAXES

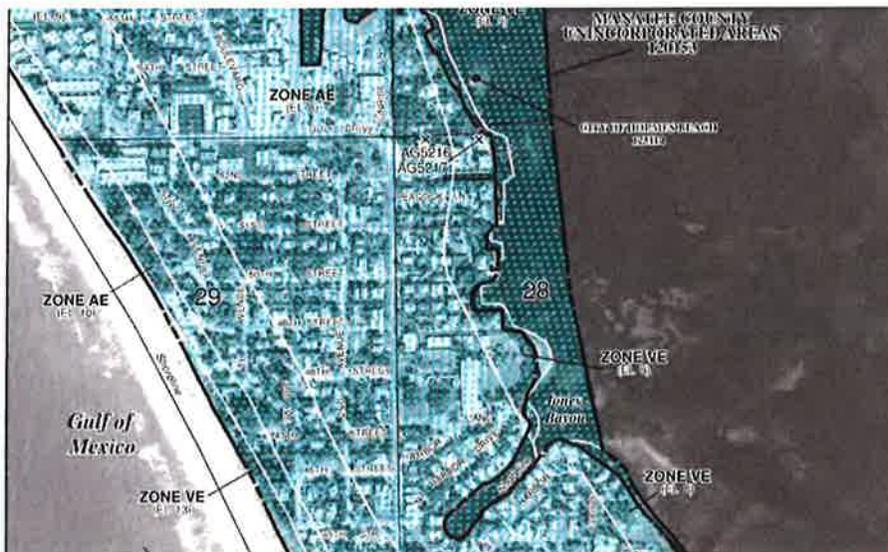

The subject property is identified within Manatee County by a parcel identification number. The 2016 preliminary assessed value for the property is as follows:

ID #	2016 Preliminary Land Value	2016 Preliminary Improved Value	Total Preliminary Assessed Value	2015 Actual Taxes
7235500709	N/A	\$481,500	\$481,500	\$6,878.44

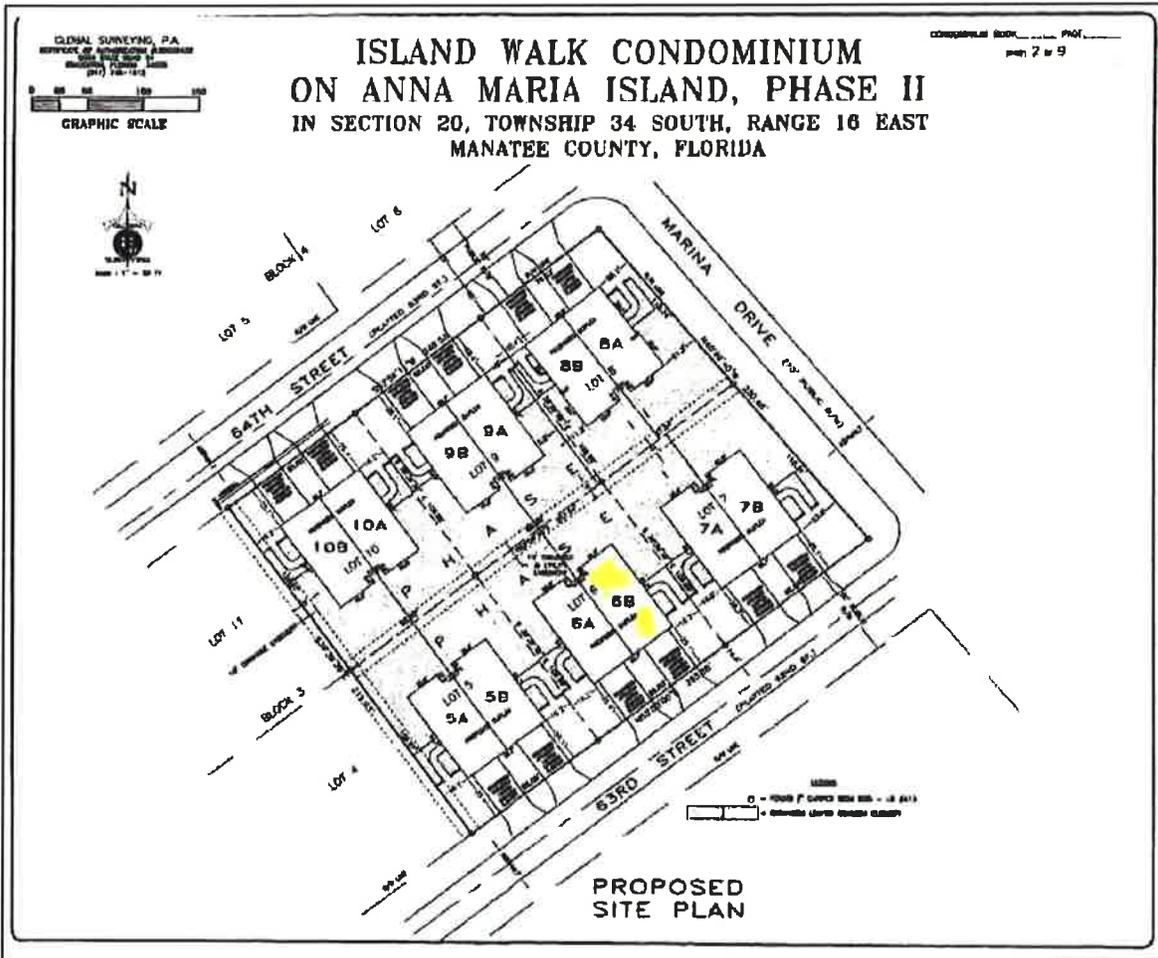

All property taxes for the subject are paid to date. The 2016 preliminary assessed value shows an increase of 8% from 2015 value of \$445,900. Millage rate for the city in 2015 was 16.260000 mills. The property previously had a homestead exemption which no longer applies in 2016.

FLOOD ZONE

According to the FEMA website, the subject is located entirely within the "AE" flood zone which depicts special flood hazard areas subject to inundation by 1% annual chance flood with base elevations determined. Community Panel 12081 C0139E, effective March 17, 2014.

ISLAND WALK CONDOMINIUM
PLAT

PROPERTY DESCRIPTION

SITE DESCRIPTION

Location: 316 63rd Street; Unit 6B, Holmes Beach, Florida 34217

Legal Description: Unit 6B, Phase 1, Island Walk Condominium on Anna Maria Island, a condominium, according to the declaration of condominium recorded in OR Book 1996, Page 3533, and all exhibits and amendments thereof, and recorded in Condominium Book 33, pages 7 through 12 and Condominium Book 34, Pages 137 through 145, Public Records of Manatee County, Florida.

Area & Shape: The property is part of the Island Walk Condominium.

Access: Unit 6B in an interior site accessible from 63rd Street.

Drainage: The site appears to be adequately drained for the neighborhood.

Utilities: County water and sewer, electrical power, telephone, and internet service are readily available to the site.

Easements and Encroachments: The site is assumed to have typical utility easements located onsite.

IMPROVEMENTS DESCRIPTION

The subject is a two-story attached condo unit over parking with 3,558 square feet (mol) of gross unit area and 2,001 square feet (mol) of net living area constructed in 2005. Unit interior includes 3-bedrooms, 2.5-baths; dining room; kitchen; living room and laundry room.

The three bedrooms range in size from 174 +/- square feet to 239 +/- square feet.

Additional amenities include a swimming pool, covered patio and exterior balconies. There is a two-car garage and room for two or three cars in the driveway (meeting the vacation rental parking requirement). The property is located approximately three blocks from the beach.

HIGHEST AND BEST USE

Highest and Best Use is defined by the Appraisal Institute in, The Appraisal of Real Estate as follows:

The reasonably probable and legal use of vacant land or an improved property that is physically possible, appropriately supported, and financially feasible and that results in the highest value.³

Implied in this definition is that the determination of highest and best use takes into account the contribution of a specific use to the community and community development goals, as well as the benefits of that use to individual property owners. Hence, in certain situations the highest and best use of land may be for parks, green belts, preservation, conservation, wildlife habitats and the like.

TESTS OF HIGHEST AND BEST USE

In analyzing the Highest and Best Use of the subject property, a number of physically possible uses are considered. These physically possible uses are then analyzed in light of the highest and best use tests of legality, financial feasibility and maximal productivity of the property.

The tests of highest and best use are normally applied to a property both as if vacant and ready for development and as currently improved. The scope of this assignment is to render values of the subject property in its "as is" condition. Therefore, only the highest and best use analysis as improved is considered applicable.

Highest and Best Use "As Improved"

Physically Possible

The subject is a 3-bedroom residential condominium unit located in the City of Holmes Beach. The unit is primarily utilized by the owners for investment purposes as a vacation rental configured to sleep 11 or more guests. This does not include cribs/child beds or roll-a-way beds consistent with my understanding of the Bert J. Harris Jr. Act, section 70.001 (3) (b) 2.

Legally Permissible

The property is located in the City of Holmes Beach where vacation rentals are permitted. The subject residence was in existence prior to January 15, 2015 therefore considered a legal nonconforming structure with respect to the number of bedrooms per Section 2 Article IV of Ordinance 15-12.

Financially Feasible

The interior of the unit has 3-bedrooms, 2.5-baths with bedroom two capable of sleeping five persons and a potential sleeper sofa in the living room. This

³ The Appraisal Of Real Estate, Fourteenth Edition, Appraisal Institute, 2013

configuration sleeps 11 or more guests. Vacation rentals of this size are primarily utilized by large families on a weekly basis.

This residence was most recently purchased in January 2016. The appraiser was not provided with any rental data from the previous owner. The property is rented primarily on a weekly basis from \$1,050 to \$4,000 depending upon time of year. There are 36 weeks reserved to date for 2016.

A significant percentage of the single-family and two-family homes located in the City of Holmes Beach are advertised for use as vacation rentals. Rental rates, depending upon the week rented; property size; occupancy and location, range anywhere from \$800 to \$12,000 per week.

The pattern of sales for single-family and two-family houses appears to be a mix of owner occupants and investors. The option for an owner in Holmes Beach to rent their residence on a short-term basis is financially feasible.

Maximally Productive

The maximally productive use of the subject property in the “before” condition is use of the unit for vacation rental purposes with a sleeping configuration for 11 or more overnight guests.

The maximally productive use of the subject property in the “after” condition, which is then the legally permissible use, is a vacation rental with a maximum capacity of (2) persons per bedroom for 6 permissible overnight guests.

HIGHEST AND BEST USE CONCLUSION

The highest and best use of the residence is to utilize as a vacation rental based on the “before” configuration sleeping 11 or more guests.

**INCOME APPROACH
"BEFORE" CONDITION**

The Income Approach relies upon the principle of anticipation; the price a purchaser would pay today to receive a stream of future income. The appraiser begins by conducting research and forming an opinion of the subject's potential for generating income, as compared to the market for like kind properties. The conclusion of stabilized net operating income (NOI) is then "capitalized" into a value indication. This represents the most likely price an investor would pay in order to receive the indicated income.

The subject property is utilized as a vacation rental rented on a weekly basis to meet the needs/demands of the market. The weekly rental rate/fee varies depending upon the time of year. In addition to the base rate, the renters are typically responsible for a cleaning fee, a refundable damage fee, and applicable state and county taxes.

The subject was purchased by the current owners in January 2016. The reservations to date for 2016 are provided below.

Rental Year	# Rental Weeks	Total Rent	Average Weekly Rate
2016 (to date)	36 Weeks	\$61,415	\$1,706

Short Term Vacation Rentals

In order to gauge vacation rental income for the subject property as of the effective date of value, we have researched the island for similar rentals. The rent comparables are appropriate for the age, condition, size and occupancy.

Rental Address	Rental Size	Occupancy	Rental Rates 2015	# Weeks Rented 2015	Gross Annual Rental Income 2015
312 61 st Street; Unit A	3bd/2ba	10	\$1,225-\$3,000	8 Weeks	\$13,127 (\$1,641/wk)
301 74 th Street	3bd/2ba	10	\$1,295-\$3,850	19 Weeks	\$33,879 (\$1,783/wk)
205 North Harbor Drive (canal front)	3bd/2.5ba	8	\$1,200-\$3,000	35 Weeks	\$63,246 (\$1,807/wk)
213 Elm Avenue	3bd/3ba	11	\$1,415-\$2,850	38 Weeks	\$70,805 (\$1,863/wk)
236 Gladiolus Street	3bd/2ba	10	\$1,500-\$4,125	30 Weeks	\$60,556 (\$2,019/wk)
210 Sycamore Avenue	3bd/2ba	10	\$1,017-\$2,185	39 Weeks	\$51,322 (\$1,316/wk)

BASS & ASSOCIATES, INC.

Rental Address	2016 Advertised Rental Rates Per Week	Weeks Reserved 2016 To Date
Subject Property	\$1,225-\$4,000	36 Weeks
312 61 st Street	\$1,500-\$4,000	20 Weeks
301 74 th Street	\$1,540-\$4,000	43 Weeks
205 N. Harbor Drive	\$1,400-\$3,000	35 Weeks
213 Elm Avenue	\$2,100-\$4,900	29 Weeks
236 Gladiolus Street	\$1,925-\$4,130	21 Weeks
210 Sycamore Avenue	\$1,200-\$3,600	35 Weeks

Projected Short Term Rental Income

In order to project the rental income for the subject property we look at historical rental information of similar vacation rentals in the immediate market area. The subject property was purchased in January 2016 by the current owners.

Taking into account increasing rental rates, we project a gross average income for the subject as a short-term rental of \$2,000 per week for 52 possible rental weeks or \$104,000.

Vacancy Losses

The number of weeks within a given year which the subject property will be rented is expected to vary. We have based vacancy losses on the number of weeks rented from previous years for the comparable rentals. This does not include weeks the property is used personally by the owners.

Looking at occupancy of the five rental comparables, with the exception of 312 61st Street which was purchased in July 2015, the vacancy in 2015 was between 25% and 64%.

An average annual occupancy of 35 weeks is estimated for the subject reflecting a 33% vacancy. Multiplying \$104,000 X 33% renders a vacancy loss of \$34,320 for an effective gross rental income of \$69,680.

Expenses

The final step in estimating the subject's Net Rental Income requires consideration for, and deduction of, applicable expenses associated with maintaining the house as a rental.

These expenses include property management fees, property taxes, homeowner insurance, professional services, repair's/maintenance of the property, utility costs, advertising and supplies.

BASS & ASSOCIATES, INC.

316 63rd STREET UNIT 6B PRO FORMA (2016) "BEFORE" CONDITION

Potential Gross Rental Income	\$104,000
Vacancy Loss (33%)	<u>\$ 34,320</u>
Effective Gross Rental Income	\$ 69,680

Expenses

Property Management (15% of EGRI)	\$10,452
Real Estate Taxes (2015 Actual)	\$ 6,603
Condo Association Fee (Annual)	\$ 6,000
Property Repair/Maintenance (5% of EGRI)	\$ 3,484
Utilities (7% EGRI)	\$ 4,878
Legal/Professional (1% of EGRI)	\$ 697
Advertising /Misc. (1% of EGRI)	\$ 697
Supplies (2% of EGRI)	<u>\$ 1,394</u>

Total Expenses (49% expense ratio) (\$34,205)

Net Operating Rental Income \$ 35,475

Capitalization Rate

The final step in the Income Approach is to "capitalize" the net operating income to an estimate of present worth or value of the property. There are several methodologies which can be employed. When market data allows, a reliable overall capitalization rate can be extracted from sales activity within the marketplace.

	<u>Sale Price</u>	<u>NOI</u>	<u>Est. Cap Rate</u>
214 Spring Avenue	\$1,325,000	\$49,342	3.72%
203 69 th Street	\$1,294,500	\$69,850	5.40%
509 S. Bay Blvd	\$755,000	\$47,305	6.30%
109 Palm Avenue	\$767,000	\$38,054	5.00%

	<u>Sale Price</u>	<u>Project NOI</u>	<u>Est. Cap Rate</u>
122 White Avenue	\$1,500,000	\$46,035	3.10%

	<u>List Price</u>	<u>Estimated NOI</u>	<u>Est. Cap Rate</u>
810 N. Shore Drive	\$1,234,000	\$40,521	3.28%
520 South Drive	\$899,900	\$40,475	4.50%

Estimating the Capitalization Rate

Direct Capitalization applies a market-derived rate reflecting investor risk assumptions. Net Operating Rental Income is divided by this capitalization rate to arrive at a value indication.

Published reports indicate that real estate investors can expect on average 6% to 8% returns on short-term single family rentals in Florida. Some market areas provide better opportunities than others such as Miami.

A 7.0% cap rate is projected for the subject property.

**INCOME VALUE INDICATION
"BEFORE" CONDITION**

The final step in estimating a value via the Income Approach is the application of the rate to the estimated NOI. Dividing the Net Operating Income of \$35,475 by .070 renders an indication of value for the subject property of \$506,786 rounded to:

**FIVE HUNDRED TEN THOUSAND DOLLARS
\$510,000**

**INCOME APPROACH
"AFTER" CONDITION**

One of the restrictions of 15-12 involves the overnight occupancy of vacation rentals located in the City of Holmes Beach. As directly related to the subject property the restriction reads:

The maximum overnight occupancy of a vacation rental shall be limited to the greater of:

Six (6) persons or two (2) persons per bedroom

A list was compiled breaking down the single family vacation rentals located primarily on Anna Maria by bedroom count and current occupancy allowed by property owner.

The first table illustrates the actual 2015 gross income of rentals which have six (6) bedrooms. We categorized these rentals as to how many guests the owners or management companies advertise.

Address	Gross Rental Income	# Weeks Rented	Average Weekly Rate	# Guests Currently Permitted
118 50 th Street	\$146,501	37	\$3,959	16
307 66 th Street	\$131,237	34	\$3,860	14
4804 Gulf Drive	\$89,149	30	\$2,972	12
306 Poinsettia Road	\$115,000	24	\$4,792	14
205 Palm Avenue	\$117,000	25	\$4,680	14
214 Spring Avenue	\$107,255	23	\$4,663	12
115 Mangrove Avenue	\$106,653	25	\$4,266	12

The second table represents the actual 2015 gross income of rentals which have five (5) bedrooms.

Address	Gross Rental Income	# Weeks Rented	Average Weekly Rate	# Guests Currently Permitted
212 Oak Avenue (canal front)	\$144,068	40	\$3,602	12
509 S. Bay Boulevard	\$114,283	35	\$3,265	12
122 White Avenue	\$17,791	6	\$2,965	13
106 Los Cedros Drive (canal front)	\$133,323	35	\$3,809	10
213 Magnolia Avenue	\$83,316	24	\$3,472	14
211 Chilson Avenue (canal front)	\$81,908	25	\$3,276	14

BASS & ASSOCIATES, INC.

The third table represents the actual 2015 gross income of rentals which have and three (3) and (2) bedrooms and permit an occupancy of (6) guests.

Name of Rental	Gross Rental Income	# Weeks Rented	Average Weekly Rate	# Guests Currently Permitted
A Snail's Pace	\$44,600	31	\$1,439	6
Limelight	\$51,000	30	\$1,700	6
Sunset Cottage on Rose	\$32,000	25	\$1,280	6
A Sand Box	\$49,500	32	\$1,547	6

Projected Short-Term Rental Income "After"

In order to project the future rental income for the subject property in the "after" condition we look at the annual income of vacation rentals located in the subject's market area which permit between 6 and 16 occupants.

Ordinance 15-12 restricts the subject property, which can accommodate 11 or more guests, to an overnight occupancy not to exceed (6) guests.

A renter in the market to lease a vacation home on the City of Holmes Beach will be restricted to (2) persons per bedroom. Therefore large family vacationers, under the new ordinance, could be required to rent two separate properties to fulfill their needs.

The specific weekly income for each vacation rental varies depending upon amenities, view and location. Taking into consideration the subject property's location, the potential gross income for the subject with a maximum occupancy of (6) guests is projected to average \$1,700 per week for 52 possible rental weeks or \$88,400.

Vacancy Losses "After"

The number of weeks within a given year the subject property will be rented is expected to vary. As the subject would be restricted to a maximum of (6) overnight occupants in the "after" situation the property will be competing with a much larger pool of potential rental properties which can accommodate (6) guests. There is no current data available to support an adjustment to vacancy in the "after" condition.

Therefore, we have utilized the same average occupancy of 35 weekly guest stays per year for a 33% vacancy. Multiplying \$88,400 X 33% renders a vacancy loss of \$29,172 for an effective gross rental income of \$59,228.

Expenses

The final step in estimating the subject's Net Income requires consideration for and deduction of applicable expenses associated with maintaining the house as a rental.

These expenses include property management fees, property taxes, homeowner insurance, professional services, repairs/maintenance of the property, utility costs, HOA fees of the resort community, advertising and supplies.

BASS & ASSOCIATES, INC.

316 63rd STREET UNIT 6B PRO FORMA (2016) "AFTER" CONDITION

Potential Gross Rental Income	\$88,400
Vacancy Loss (33%)	<u>\$29,172</u>
Effective Gross Rental Income	\$59,228

Expenses

Property Management (15% of EGRI)	\$ 8,884
Real Estate Taxes (2015 Actual)	\$ 6,603
Condominium Association Fee (Actual)	\$ 6,000
Property Repair/Maintenance (5% of EGRI)	\$ 2,961

Supplies (2% of EGRI)	<u>\$ 1,185</u>
Total Expenses (52% expense ratio)	(\$30,963)
Net Operating Rental Income	\$ 28,265

Capitalization Rate

The final step in the Income Approach is to "capitalize" the net operating income to an estimate of present worth or value of the property. There are several methodologies which can be employed. When market data allows, a reliable overall capitalization rate can be extracted from sales activity within the marketplace.

	<u>Sale Price</u>	<u>NOI</u>	<u>Est. Cap Rate</u>
214 Spring Avenue	\$1,325,000	\$49,342	3.72%
203 69 th Street	\$1,294,500	\$69,850	5.40%
509 S. Bay Blvd	\$755,000	\$47,305	6.30%
109 Palm Avenue	\$767,000	\$38,054	5.00%

	<u>Sale Price</u>	<u>Project NOI</u>	<u>Est. Cap Rate</u>
122 White Avenue	\$1,500,000	\$46,035	3.10%

	<u>List Price</u>	<u>Estimated NOI</u>	<u>Est. Cap Rate</u>
810 N. Shore Drive	\$1,234,000	\$40,521	3.28%
520 South Drive	\$899,900	\$40,475	4.50%

Estimating the Capitalization Rate

Direct Capitalization applies a market-derived rate reflecting investor risk assumptions. Net Operating Income is divided by this capitalization rate to arrive at a value indication.

Published reports indicate that real estate investors can expect on average 6% to 8% returns on short-term single family rentals in Florida. Some market areas provide better opportunities than others such as Miami.

A 7.0% cap rate is projected for the subject property.

**INCOME VALUE INDICATION
"AFTER" CONDITION**

The final step in estimating a value via the Income Approach is the application of the rate to the estimated NOI. This analysis does not consider the cost to cure which would be an additional onetime expense.

Dividing the Net Operating Income of \$28,265 by .070 renders an indication of value for the subject property of \$403,786 rounded to:

**FOUR HUNDRED FIVE THOUSAND DOLLARS
\$405,000**

RECONCILIATION AND VALUE OPINIONS

One approach to value has been considered in analyzing the subject property. This resulted in the following indications of "Before" and "After" values:

Unrestricted "Before" Condition Income Approach	\$510,000
Restricted "After" Condition Income Approach	<u>\$405,000</u>
Diminution in Value	\$105,000

CERTIFICATION

I certify that, to the best of my knowledge and belief:

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, are my impartial, and unbiased professional analyses, opinions, and conclusions.

I have no present or prospective interest in the property that is the subject of this report and no interest with respect to the parties involved.

I have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

The reported analyses, opinions, and conclusions were developed, and this report has been prepared in conformity with the requirements of the Code of Professional Ethics & Standards of the Professional Appraisal Practice of the Appraisal Institute.

The use of this appraisal is subject to the requirements of the Appraisal Institute relating to review by its duly authorized representatives.

Bass & Associates has not appraised the subject property within the three years prior to accepting this assignment.

I have completed a personal visit of the unit that is the subject of this appraisal.

No one has provided significant professional assistance to the person(s) signing this report.

As of the date of this appraisal, the undersigned has completed the continuing education program of the Appraisal Institute.

This appraisal assignment was not made, nor was the appraisal rendered on the basis of a requested minimum valuation, specific valuation, or an amount which would result in approval of a loan.

Richard W. Bass, MAI/AICP
State-Certified General Real Estate Appraiser RZ348

No one has provided significant professional assistance to the person(s) signing this report.

As of the date of this report, Susan Fletcher has completed the Standards and Ethics Education Requirements of the Appraisal Institute for Practicing Affiliates.

This appraisal assignment was not made, nor was the appraisal rendered on the basis of a requested minimum valuation, specific valuation, or an amount which would result in approval of a loan.

Susan M. Fletcher
State-Certified General Real Estate Appraiser RZ3223

**GENERAL ASSUMPTIONS
AND LIMITING CONDITIONS**

**ASSUMPTIONS AND LIMITING CONDITIONS
TO THIS VALUATION ASSIGNMENT**

A "valuation assignment" is one in which an appraisal is sought. An "appraisal" is defined by USPAP as:

"the act or process of developing an opinion of value; an opinion of value"

An "appraisal" is an opinion of value, not a "fact" of value. An "appraisal report" relays the appraisers' opinion, typically in writing.

The following Assumptions and Limiting Conditions apply (as may be applicable by the property type) to this Valuation Assignment

1. As real estate analyst and appraiser, no responsibility is assumed for the legal description or for matters including legal or title considerations. As we are not attorneys, any interpretations or opinions rendered are not legal opinions. Title to the property is assumed to be good and marketable unless otherwise stated.
2. Unless otherwise set forth in our opinion of value, the property is appraised free and clear of any or all liens, encumbrances or easements made known to the appraisers.
3. Responsible ownership and competent property management is assumed.
4. It is assumed that there are no hidden or unapparent conditions of the property, subsurface, surface, or structures that render it more or less valuable. No responsibility is assumed for such conditions or arranging for engineering studies that may be required to discover any defects. We are not trained as home inspectors or building inspectors.
5. It is assumed that there is full compliance with all applicable federal, state, and local environmental regulations and laws unless specific noncompliance is known, defined, and considered in the appraisal report.
6. It is assumed that all applicable zoning and use regulations and restrictions have been complied with, unless a non conformity has been stated, defined, and considered in the appraisal report.
7. All furnishings and equipment, unless specifically indicated, have been disregarded by the appraiser. Only the real estate/real property has been considered.
8. If no survey of the subject property is provided to the appraiser, it is assumed the legal description and/or current plat obtained from the public records closely delineates said property.
9. Physical condition of any improvements located above or below grade on the subject property is based on visual inspection. No responsibility or liability is assumed for non-readily observable features or for the soundness of structural members or below grade features.
10. The American with Disabilities Act ("ADA") became effective January 26, 1992. I have not made a specific compliance survey or analysis of the subject property or comparables to determine whether or not there is in conformity with the various detailed requirements of the ADA. It is possible that a compliance survey of the property, together with a detailed analysis of the requirements of the ADA, could reveal that the property is not in compliance with one or more elements of Act. If so, this fact could have a negative effect upon the value of the property. Since I have no direct evidence relating to this issue, I did not consider possible noncompliance with the requirements of ADA in estimating the value of the property.
11. The date of value to which the opinion of value is expressed in this report apply is set forth in herein. An opinion of value is "as of" a point in time only. Further, the dollar amount of the value opinion herein rendered is based upon the purchasing power of the U. S. dollar existing on the date of value.
12. Appraiser assumes no responsibility for economic, fiscal or physical factors which may affect the opinion of value occurring at some date after the date of the value.
13. Appraiser reserves the right to make adjustments to the valuation of the subject property, as may be required by consideration of additional reliable data that may or may not have been discovered at the time of rendering an opinion of value or which becomes available after the date of value/appraisal.
14. The opinion of value represents the best opinion of the analyst(s) as of the date of value and for the value of the interested considered. If the appraisal is submitted to an entity other than the identified client, such party should is not an intended user of the appraisal or appraisal report and should not rely upon said opinion.
15. Any intended user of the value opinion should only consider the subject appraisal report in its entirety and only as one factor together with its own independent investment considerations, separately obtained appraisal or review appraisal and their own underwriting criteria in its overall investment decision.
16. The appraisal has been made in conformity with our understanding of the Uniform Standards of Professional Appraisal Practice (USPAP) as well as the Appraisal Institute's Supplemental Standards as we understand them.
17. Possession of a printed report or a copy thereof does not carry with it the right of publication, duplication or reliance. It may not be used or relied upon for any purpose by any individual, group, company, governmental entity or corporation other than the identified intended user(s) as set forth within the report.
18. The appraiser herein by reason of rendering an opinion of value is not required to give further consultation, testimony or be in attendance in any court with reference to the property in question unless such arrangements are in the original engagement agreement or separately agreed to by both parties to said agreement.

19. Should a third party call upon the appraiser for testimony, either expert testimony or fact testimony, as a result of this valuation assignment, the client is responsible for the appraisers' professional fees and direct expenses relative to any subsequent work.
20. Neither all nor any part of the contents of the appraisal report, expressed either orally or in writing (especially any opinion as to value), the identity of the appraiser or the firm with which the appraiser is connected) shall be disseminated to the public through advertising, public relations, news, sales materials, or other media without the prior written consent and approval of the client and the appraiser.
21. A diligent effort to verify each comparable sale data. However, if personal contact is not possible, public records will be relied upon for verification. Further, it is recognized that in the confirmation process there exists the potential for misinformation, misleading information and fraudulent information being provided to the appraiser. Should such misinformation, in any form, be provided to the appraiser, no responsibility or liability is assumed by the appraiser. The information furnished by others is believed to be reliable. However, no warranty is given for its accuracy. Certain data used in compiling the requested opinion of value will be furnished by the client or others. Such data is assumed to be reliable and is verified when practical. No representations are herein provided as to correctness or accuracy of such third party data.
22. Any photographs which may be a part of the valuation assignment are intended to reflect the general character of the area, the subject and/or comparable data. Said photographs are for illustrative purposes only.
23. Any sizes of properties, unimproved or improved, be they acreage, square footages or other units of measurements are estimates only based on the sources cited or provided in the appraisal report.
24. Any maps or other graphic devices are intended to be illustrative and general in character and location. No specificity is expressed or implied. The subject property and any comparable properties are best identified by official Appraisers Parcel Number issued by the applicable Office of the County Property Appraiser.
25. If a written report is provided as part of the valuation assignment, used to support an oral opinion of value, said report is conditioned as a preliminary report only and subject to change including Condition Number 13 above, as well as any relevant interpretation or reinterpretation of the applicability of any provisions of the Uniform Standards of Professional Appraisal Practice, as may be amended from time to time.
26. Particularly applicable to any assignment which has the potential to result in litigation, any such written appraisal report is done to support said oral testimony only and can only be relied upon as supporting said testimony and not as a free standing document. In such cases, the opinion of value is prepared for the "client" any written report is prepared solely for use by the appraiser.
27. During the research and analysis process of the valuation assignment, additional "specific" assumptions and/or limiting conditions may be appropriate for the opinion of value sought. If so, they will be set forth separately to specifically identify same.
28. Confidentiality of the appraiser/client relationship is controlled by Florida Statutes and applicable implementing Rules, as well as those of professional membership in the Appraisal Institute. The appraiser may not divulge confidential data to third parties without consent of the client. Our understanding of applicable laws and rules of the State of Florida is that they are more restrictive than those of the Gramm-Leach-Bliley Act of 1999.
29. The client or identified intended user must review the appraisal report and communicate with the appraiser on any issues or concerning relative to said report or opinions of value prior to reliance on same.
30. By use and reliance on the appraisal report or opinion of value, each party who does so, agrees to be bound by all of these Assumptions and Limiting Conditions, and any applicable Hypothetical Conditions and/or Extraordinary Assumptions stated within the final report or final opinion of value.

FLOOD ZONE DATA

FLOOD INSURANCE

NFIP: This community participates in the National Flood Insurance Program (NFIP). The NFIP makes federally backed flood insurance available for all buildings, whether they are in a floodplain or not. Flood insurance covers direct losses caused by surface flooding, including a river flowing over its banks, a lake or ocean storm, and local drainage problems.

The NFIP insures buildings, including mobile homes, with two types of coverage: structural and contents. Structural coverage is for the walls, floors, insulation, furnace, and other items permanently attached to the structure. Contents coverage may be purchased separately provided the contents are in an insurable building.

Mandatory Purchase Requirement: The mandatory purchase requirement applies to all forms of federal Or federally related financial assistance for buildings located in a Special Flood Hazard Area (SFHA). This requirement affects loans and grants for the purchase, construction, repair, or improvement of any publicly or privately owned building in the SFHA, including machinery, equipment, fixtures, and furnishings contained in such buildings.

Financial assistance programs affected include loans and grants from agencies such as the Department of Veterans Affairs, Farmers Home Administration, Federal Housing Administration, Small Business Administration, and Federal Emergency Management Agency. The requirement also applies to secured mortgage loans from financial institutions, such as commercial lenders, savings and loan associations, savings banks, and credit unions that are regulated, supervised or insured by Federal agencies such as the Federal Deposit Insurance Corporation and the Office of Thrift Supervision. It also applies to all mortgage loans purchased by Fannie Mae or Freddie Mac in the secondary mortgage market.

How it Works: Before a person can receive a loan or other financial assistance from one of the affected agencies or lenders, there must be a check to see if the building is in a Special Flood Hazard Area (SFHA). The SFHA is the base (100-year) floodplain mapped on a Flood Insurance Rate Map (FIRM). It is shown as one or more zones that begin with the letter "A" or "V".

Copies of the FIRM are available for review in most local government building or planning departments. Many lenders and insurance agents also have copies. It is the agency's or the lender's responsibility to check the FIRM to determine if the building is in an SFHA, although many communities provide assistance.

If the building is in a SFHA, the agency or lender is required by law to require the recipient to purchase a flood insurance policy on the building. The requirement is for structural coverage equal to the amount of the loan (or other financial assistance) or the maximum amount available, whichever is less. The maximum amount available for a single-family house is \$250,000.

The mandatory purchase requirement does not affect loans or financial assistance for items that are not covered by a flood insurance policy, such as vehicles, business expenses, landscaping, and vacant lots. It does not affect loans for buildings that are not in the SFHA, even though a portion of the lot may be flood prone. While not mandated by law, a lender may require a Flood Insurance Policy as a condition of a loan for a property in any zone on a Flood Insurance Rate Map.
