Contractor is responsible to affect compliant Site Erosion & Sediment Control. Applicant hereby agrees to address sediment and erosion control where needed through best management practices including but not limited to installation of silt fence.

This permit shall be construed as a license to proceed with the work and shall not be construed as authority to violate, cancel, alter or set aside any of the provisions of the technical codes, nor shall such issuance of this permit prevent the building official from thereafter requiring a correction of errors in plans, construction or violations of the technical codes, or any applicable ordinances, law, rules, or regulations.

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for ELECTRICAL WORK, PLUMBING, SIGNS, WELLS, POOLS, FURNACES, BOILERS, HEATERS, TANKS and AIR CONDITIONERS, etc. Additional Permits may be required from other governmental agencies such as the water management district, state or federal agencies.
