A Notice to all Suncoast Chapter members, Florida Restaurant & Lodging Association:

On **September 26, 2017**, Manatee County will be holding a brief **informational meeting** regarding recent changes to the **Manatee County Sewer Use Ordinance** for all **food service facilities** discharging their process wastewater to Manatee County's sanitary sewer. Topics for discussion include the following:

- A brief overview of the Sewer Use Ordinance, and an explanation for implementing specific changes to it;
- A summary of the specific changes to the Ordinance;
- A description of Manatee County's **Fats, Oils and Grease (FOG) Program**, including: the purpose of the Program; how the Program operates; how to obtain resource(s) information; how to contact a Program representative.

This meeting is scheduled to **begin at 2:00 P.M.**, and will be **held at the Rogers Auditorium** located at **1303 17th Street West, Palmetto, Fl. 34221**. All owners or operators of food service establishments in Manatee County are strongly encouraged to attend this meeting so that they will be aware of the specific FOG mitigation requirements in the Ordinance before regular enforcement inspections are initiated. If you have any questions, please direct them to: utilitiesFOG@mymanatee.org.

We look forward to seeing you in September.

Sincerely,

Manatee County Office of Wastewater Compliance
