SAFETY TIPS FOR THE MONTH

There is no need to carry your Social Security cards in your wallet or purse. Doing so gives more information to potential Identity Thieves if your wallet or purse is lost or stolen.

Helping Law Enforcement in Event of Emergency

If you have a Florida driver's license or identification card, you can click the link below, and enter your emergency contact information.

Please go to the link attached and select Florida and input your emergency contact information.

<http://toinformfamiliesfirst.org/index.html>

This will be used by law enforcement in the event of an emergency.

I know that you probably have your emergency contact listed under ICE in your phone.

In an emergency we would not be able to access that information as most phones are now password protected.

TAKING A FEW MOMENTS NOW WILL SAVE LAW ENFORCEMENT CRITICAL TIME LATER.
