**SECTION 1. A new chapter 4 to be entitled “Regulation of Vacation Rental Units” is added to the Holmes Beach Code of Ordinances which chapter shall read as follows:**

**REGULATION OF VACATION RENTAL UNITS**

**Section 4.1. Purpose and Intent**

The purpose of this ordinance is to establish and enforce standards for vacation rental units in the residential zones of the City in a manner which protects the residential character and quality of life in the neighborhood where the vacation rental units are located while not unduly restricting the owner of the vacation rental unit from use of the vacation rental property. The statutory authority for this regulation is found in Section 509.32(7), Florida Statutes. Further, this vacation rental ordinance shall be construed and implemented to achieve the following intent and purposes of the City Commission:

- A. To establish the regulations, procedures and standards for the review and approval of all vacation rental units in the City;
- B. To preserve and foster the public health, safety, aesthetics, and general welfare, and to aid in the harmonious and orderly development of the City in accordance with its Comprehensive Plan;
- C. To establish a review process that is efficient in terms of time and expense; effective in addressing the impacts of vacation rental units; and equitable with regard to regulations and procedures, while respecting the rights of property owners;
- D. To implement the City’s Comprehensive Plan;
- E. To insure the safety of structures that are used as vacation rental units and/or short term rentals.

## **Section 4.2. Interpretation**

- A. In the interpretation and application of this ordinance, all standards, criteria and requirements shall be liberally construed in favor of the purposes and goals of the City of Holmes Beach as set forth in its Comprehensive Plan and deemed neither to limit nor repeal any other lawful regulatory powers of the City.

Where this ordinance conflicts with or overlaps other ordinances or regulations, the more stringent shall prevail.

If any issue arises concerning the application of regulations, definitions, development criteria, performance standards or any other provisions of this ordinance, the Code Enforcement Officer shall be responsible for their interpretation. Responsibility for interpretation by the Code Enforcement Officer shall be limited to standards, regulations and requirements of this ordinance. Such responsibility shall not be construed to substitute for or abrogate any right or responsibilities specified to the Mayor or the City Commission or any board or official named in other sections of the City's Code of Ordinances. The Code Enforcement Officer shall rely upon the goals, objectives and policies adopted in the City of Holmes Beach Comprehensive Plan in making any such interpretation.

- B. Administrative decisions of the Code Enforcement Officer, including official interpretations of this ordinance are final decisions. Any party who has been adversely affected by an interpretation made by the Code Enforcement Officer or who has been denied a vacation rental certificate may seek review of such decision by filing a written appeal to the City's Special Magistrate within thirty (30) days after the decision is rendered.

## **Section 4.3. General Framework.**

This ordinance addresses specific issues relevant to use of vacation rental units and also contains appropriate cross references to the City's Land Development Code, and other City ordinances.

- i. **Parking.** All vacation rental units within the City are required to provide one on site parking space per bedroom.

#### **Section 4.7. Existing Legal Nonconformities**

A. Throughout the City there exist vacation rental units with valid BTRs that are legal nonconformities from various ordinances of the City of Holmes Beach. Notwithstanding the Florida Building Code, the Florida Fire Code, and the Florida Life Safety Code, it is not the intent of this ordinance that these legal nonconformities be corrected as a condition of receipt of a vacation rental certificate.

For properties with existing BTRs, legal existing nonconformities shall be identified and inventoried by the Code Enforcement Officer with the initial issuance of a vacation rental certificate. The final decision of whether a legal nonconformity exists shall be determined by the Code Enforcement Officer. The Code Enforcement Officer's decision may be appealed to the City's Special Magistrate within thirty (30) days after the Code Enforcement Officer's official (CEO) decision. Issuance of a vacation rental certificate is affirmative assent of existing legal nonconformities. Change of ownership of property shall not invalidate existing nonconformities associated with the initial vacation rental certificate.

Upon issuance of subsequent vacation rental certificates if it is the determination of the Code Enforcement Officer that there are nonconformities not identified and inventoried with the original vacation rental certificate, the Code Enforcement Officer shall require nonconformities to come into compliance prior to issuing a new vacation rental certificate. Appeals of the Code Enforcement Officer's decision may be appealed to the City's Special Magistrate.

B. Owners of legally nonconforming property that wish to convert from a residential use to a vacation use to a vacation rental use after the effective date of this ordinance may be required to address specific nonconformities and bring the property more into compliance with applicable codes and ordinances prior to issuance of a vacation rental certificate. The final decision of whether a legal nonconformity exists and must be remedied or whether a legal nonconformity exists and is not required to be remedied shall be made by the Code Enforcement Officer during the initial inspection. The CEO decision may be appealed to the City's Special Magistrate within thirty (30) days after the CEO's official decision. Issuance of a vacation rental certificate is affirmative assent of existing legal nonconformities. Change of ownership of property shall not invalidate existing nonconformities associated with the initial vacation rental certificate.

Upon issuance of subsequent vacation rental certificates if it is the determination of the Code Enforcement Officer that there are nonconformities not identified and inventoried with the original vacation rental certificate, the Code Enforcement Officer shall require nonconformities to come into compliance prior to issuing a new vacation rental certificate. Appeals of the Code Enforcement Officer's decision may be appealed to the City's Special Magistrate.

#### **Section 4.8. Use of Agents.**

1. An owner of a vacation rental may designate an agent to manage the unit on his behalf. The City will provide a form for such purpose which form must be completed, notarized and submitted to the City. The agent must accept the agent designation on a form provided by the City. The designation of an agent does not relieve the owner of the responsibility to comply with all state and local statutes and ordinances.
2. An agent who accepts a designation to act on behalf of a vacation property owner is held to the same standard as the property owner with respect to compliance with all statutes and ordinances and pursuant to Section 2-117, City's Code of Ordinances may be cited for non-compliance with any code, rule or ordinance applicable to the vacation rental unit or property.
3. A vacation rental property owner can withdraw an agent authorization by submitting a new properly executed agent authorization form to the City. The City may rely on the latest form it has of the owner's intent.

#### **Section 4.9. Maximum Occupancy.**

Per the City's Comprehensive Plan, the maximum overnight occupancy of a vacation rental unit shall not exceed six (6) persons or two (2) persons per bedroom, whichever is greater. The Code Enforcement Officer will have the final authority to determine the number of bedrooms. The Code Enforcement Officer may use a variety of sources to determine the

number of bedrooms including the Property Appraiser’s database and the City’s Building Department database. Appeals of the Code Enforcement Officer’s decision may be appealed to the City’s Special Magistrate.

**Section 4.10. Fees.**

The following fees are adopted to implement this ordinance:

- Renewal Application Fee (every two years) \$150.00

- Second Re-inspection Fee \$ 75.00
- Change of Authorized Agent Fee \$ 35.00

Properties with active Business Tax Receipts (BTRs) are required to comply with the inspection criteria.

**Section 4.11. Violations and Penalties.**

A written warning shall be given for the initial violation at a vacation rental unit. If the warning goes unheeded, the Code Enforcement Officer shall issue a written second violation and a fine will be assessed. The Code Enforcement procedure set forth in Chapter 2, Article V of the Code of Ordinances shall be followed; however, the penalties for violation shall be set forth as follows. Penalties may be amended by resolution of the Commission.

At the discretion of the Code Enforcement Officer, a repeat offender shall appear before the Magistrate for finding of facts. The penalties for violation are as set forth below:

- First Violation Written Warning
- Second Violation \$250.00
- Third or Subsequent Violations \$500.00

The maximum height of the sign shall be three (3) feet from the surrounding grade. Fixed attachments or information boxes are prohibited.
3. The sign shall be non-moving, free-standing, and securely anchored into the ground.
4. Sign colors shall not be fluorescent.

#### **Section 4.17. Exemption for Pre-Existing Rental Agreements.**

Notwithstanding any other provision of this ordinance, rental agreements with prospective occupants for vacation rental units that were pre-existing as of May 1, 2016, (hereinafter "Pre-existing Agreements") are exempt from the occupancy provisions of this ordinance for occupancy limits. Any pre-existing agreements for occupancy through 2018, shall be disclosed to the City by May 15, 2016. All bookings made subsequent to May 1, 2016, are subject to the occupancy provisions of this ordinance. All advertising must be compliant for occupancy limits no later than May 1, 2016.

If a vacation rental unit is cited for a violation of this Chapter, (that would not be a violation if it were not for this Section), when the vacation rental unit is occupied under the terms of a Pre-existing Agreement, the vacation rental owner may defend such violation based on the fact that the vacation rental unit was exempt from this Section due to it being occupied pursuant to a Pre-existing Agreement. Such defense shall be determined based upon the following information, and upon any additional information supplied by the vacation rental owner or otherwise determined by the fact finder:

1. Copy of deposit or payment information evidencing that the agreement was a Pre-existing Agreement.
2. Copy of e-mail or other communication evidencing a binding Pre-existing Agreement.
3. Information from the occupant confirming that there was a binding agreement in a time frame to make the agreement as Pre-existing Agreement under this Section.

If it is reasonably determined by the City staff, and confirmed by the City's Special Magistrate that any information supplied to the City of Holmes Beach in support of an application for exemption, or in support of a defense based upon Pre-existing Agreement, was intentionally false or fraudulent, the person supplying the false or fraudulent information shall be subject to a fine as set by the City Commission by resolution.

#### **Section 2. Severability.**

This Ordinance shall be construed in a manner to accomplish, to the greatest extent legally possible, the purposes of this Ordinance as expressed herein.
